QUEENSLAND MUSIC FESTIVAL AND MOUNT ISA CITY COUNCIL PRESENT

THE BIG WEEKEND

THE BIG WEEKEND IS A CELEBRATION OF COMMUNITY MUSIC MAKING AT ITS BEST.

Over 120 musicians from Birdsville to Karumba, Julia Creek to Barkly come together every two years to form a massed community all-ages symphonic orchestra. Three days of intensive rehearsals, tutorials and instrumental workshops culminate in a concert performance at the Mount Isa Civic Centre.

To celebrate the 2009 get-together, the Mount Isa Community Orchestra has commissioned a new work by Ralph Hultgren, one of Queensland's most experienced composers for community ensembles.

This exciting new work entitled *Wide Brown Land* reflects the beauty and mystery of Mount Isa and surrounds. This piece will be premiered at the finale concert of *The Big Weekend*.
