

## **Message from Beng Wee re “With All Thy Might”**

### **Band instructors making lyrics and stories to train their bands**

Hi Ralph,

The following messages that circulated among some 'stressed-up' instructors during the period leading up to SYF competitions. Courtesy of Mr. Faizal, conductor Peixin Primary School - awarded Gold with honours.

Message 1: To be Sung! Refer to: With All Thy Might

"Bar 11. Sing to the melody! Ahem! (clearing the throat)

With all thy might! We will all give our best!  
With all thy might! We will strive to be the best!  
With all thy might! We will never give up hope,  
Cos we believe we can, and we'll keep on fighting till the end....

How's my lyrics?! Hahaha."

Message 2: An adventure Story - titles of SYF choice pieces used to create the plot.

"Bros! Actually to make the story more interesting, I have included Ralph Hultgren in the movie! So here it is....

The story took place 'In the winter of 1730'. So 'In the Light of Dawn', a 'Flight of Valor' accidentally flew straight 'Into the Storm'. That was the moment when they heard the 'Song of the Prairie'. After realizing that they were the 'Last to Defend', the hero named Ralph Hultgren shouted, My Countrymen, C'mon fight! Fight! 'With all Thy Might!!!'...

Hope you enjoy these 2 very memorable messages.

God bless you.
