Subject Smoke Encrypted Whispers

Hi Ralph

I would have given you a book by now but I am home with Chicken Pox...yes...adults get it too...and it is much worse apparently.

I have had to allocate some poems to some composers who needed to get on with the commission because of other pressing things so the poems that are left are:

Smoke signals
Tigerland
Capalaba
Rip
Fisherman islands
Author's notes #2
Ghosts of boundary street
Author's notes conclusion

When I give you a book this will all make a lot more sense. If you could choose up to 4 of these that you would consider writing a 100 second interlude for then I will allocate one to you.

Thanks and look forward to working with you

Paul
