

Morgan – Hultgren email re Trombone Concertino

22 Sep 2005

Dear Ralph,

We have successfully held our annual auditions for solo spots with Large Ensemble in 2006. I should like to suggest again Jamie Kennedy, trombone, who played another fine audition this year. Would you be able to work him in? He auditioned on the Groendahl and would like to play that; however, if you'd like to write him a piece.... :)

I'll leave that with you, Ralph. Please notify Dan when you've made a decision.

I hear the recording project went well!

Cheers,
Michael

Dear Ralph,

I'm really excited about the prospect of a new concerto from you! And I'm sure Jamie is as well. Do you think we can possibly aim for a May concert? I would love to put that in the first theatre concert. Only thing is, will it be done in time for Jamie to master it? Or, would you suggest a fallback concerto, just in case? I leave the details, of course, to you and Jamie. I'd just like to see what your thoughts are at this stage. Again, I'm thrilled at the prospect!

Cheers,
Michael
