Dear Ralph

Your lovely son presented me with a copy of With All Thy Might this morning and my heart swelled as I read your kind words and the program notes. I am honoured to think that I have managed to give back to you some of the inspiration that you have given me over the past 16 years. Thank you for your on going support not only to me but to the college and the international music community. You are truly a remarkable man.

Talk soon

Alisa
