Dear Ralph,

As previously discussed, I am writing on behalf of St Peters Lutheran College, commissioning you to compose a new work for our senior band, the Symphonic Winds. This work will be featured next year in a premiere performance in Brisbane followed by performances on the ensemble's European Tour at the end of 2008.

My reasons for inviting you to write this work include: You are Australian and it is important that we foster Australian composers; Your experience in writing specifically for this genre; Your growing stature as a composer on the International stage; and my belief, through personal experience, that you will deliver an enduring work for the symphonic band repertoire.

I look forward to working with you as this project comes to fruition.

Kind Regards,

Grant Mason
